

Threat to Life risk identified for person(s) in contact with a Child

Referral to Children's Services within one working day

Strategy Meeting

Section 47 Enquiry

Risk not substantiated No further Action (Needs manager sign off)

Significant Harm concerns not substantiated but other support required - (sign post)

Immediate action to safeguard child required (PPO/EPO)

* Due to the complexity of TTL risk factors, more than one outcome maybe considered

Referral for Initial Child Protection Conference

Child Removed from home address due to risk of harm (EPO/PPO/Sec 20) No contact with person served TTL

Parent/Carer moved with Child to place of Safety No contact with person(s) served TTL

Person(s) served TTL moved. Safeguards implemented at address(s) where children reside that are linked to TTL Threat
